## **Growth Membership**

The premium membership level for women in growth businesses. Increase your business success and be part of a group of experienced business owners looking to network with others of similar experience and mind-set.

***At \$59 a month, your investment is less than \$2 a day***

*Note: Growth members get all Start Up member benefits at no additional cost.*

## **Start Up Membership**

Start Up? Start here. Whether you've started a business or looking to start one this level of membership gives you access to the fundamental education, resources, support and networking to help your business take off.

***At \$30 a month, your investment is less than \$1 a day.***

## **Community Membership**

Mentoring, business education, and networking opportunities for women in business.

## Membership Level Comparison Chart

It's hard to beat free, but of course it's not the same as being a full member of the network.

Here's what you get for being a part of our community:

- Monthly newsletter, business tips and offers
- Invitations to webinars and events
- Access to our public forums and blog

\*Growth Members will be matched with other Growth members for Mastermind Groups.  
Start Up Members will be matched with other Start Up members for Member Goals Groups.

Mentoring, business education, and networking opportunities for women in business.
